Mr. Clark stated that JFS is proud of everything Ms. Finney has accomplished and spoke about the significance of her being awarded at the state level.

Public Assistance Fraud Update

JFS Community Services Program Administrator, Krista Humphries, introduced Heather Shields, the JFS Fraud & Benefit Recovery Supervisor.

Ms. Shields stated that May was Public Assistance Fraud Awareness Month and thanked the Commissioners for recognizing it by proclamation. She added that there were 684 fraud referrals in 2023 and 45 proven fraud cases. Less than two percent of the food assistance recipients result in actual cases of fraud.

Commissioner Davis asked about the process for investigating the fraud referrals.

Ms. Shields stated that referrals often come from someone that is mad at the person they are reporting on and often the case involves an unintentional error on the part of a recipient. The 45 cases were proven to be extreme cases where documentation was intentionally fraudulent or withheld. Ms. Shields spoke about incentives, the dollars a county agency keeps from collections of overpayments of benefits. In 2023, Fairfield County received \$130,146 in incentives. Food assistance is the most referred upon fraud and most collected.

Commissioner Davis asked for clarification of collections of SNAP (Supplemental Nutrition Assistance Program.)

Ms. Shields replied that if a customer received more SNAP money than they should have received, the individual must repay the overage. She continued her presentation by speaking about the partnership that JFS has with the Prosecutor's Office. She added that the relationship is the reason collections of overpayments and fraud cases are successful. Ms. Shields provided a case review and stated that although the facts of the cases reviewed were severe, imprisonment is usually not the goal. In the case review situation, the offenders made full restitution and will forever have a felony on their records. She also spoke about food assistance program thefts through cloning and skimming of the SNAP cards. In 2022, the Consolidation Appropriations Act was signed into law allowing food assistance to victims of electronic theft. Ms. Shields provided the fraud hotline number which is available in the minutes along with the fraud PowerPoint presentation.

Commissioner Levacy asked if the SNAP cards contain a chip to deter theft.

Ms. Shields stated that they currently are not chipped but that it is being considered to alleviate some of the problems.

Commissioner Davis made a motion at 9:28 a.m. to go into Executive Session to Discuss Security Matters. THE FAIRFIELD COUNTY ENGINEER'S OFFICE ANNUAL REPORT

2023 Annual Report

Whenever possible, the Fairfield County Engineer's Office applies for grant money to assist in repairing the roads and bridges in our County. In 2023, we were able to replace three bridges thanks to an OPWC grant. Bridges were replaced on Sixteenth Road, Coonpath Road, and Canal Road. Construction costs for these bridges totaled \$1,021,986 with \$592,217 being funded through the Ohio Public Works Commission.

Once again this year, the Fairfield County Engineer's Office teamed up with another local entity in order to improve our roadways for the traveling public. The Board of Clearcreek Township Trustees received an OPWC grant for roadway improvements on Dozer Road. The County Engineer's Office was instrumental in overseeing this project throughout all of the planning and construction stages.

As we end 2023, our office is gearing up for the year 2024. In 2024, we have a major construction project planned for Refugee Road in Violet Township, with over \$3 million in grant funding to assist us! Obtaining these extra state and federal grants when they are available give us the ability to apply funds to more projects throughout the year. It is our mission to continue applying for grant money as it becomes available so that we can keep our roadways safe for the traveling public.

**CONGRATULATIONS
TO OUR RETIREES**

Tim Ebert—31 years
Gary Haney—32 years

In 2023, we mourned the loss of one of our employees, Bob Notestone. Bob started with the Fairfield County Engineer's Office in 2011. During his time with us, he performed a lot of different duties as a Road Worker, from running the asphalt distributor on our chip seal crew, to flagging traffic and performing general labor on many projects. He spent endless hours plowing snow to make sure the roads were passable for the traveling public. Bob was always one of the first ones to show up for work each day and was willing to do whatever was asked of him. Bob will always be remembered for his infectious laughter and one-line jokes. We truly miss our dear friend and coworker.

Re: Letter of Support for National Grid Renewables

Dear Commissioners Davis, Levacy and Fix,

On behalf of the Greenfield Foundation in Greenfield, Ohio I would like to say a few words about our experience with National Grid Renewables. This innovative company is constructing several solar projects near us in Highland, Fayette and Ross Counties, and has selected the Greenfield Foundation to be the repository for funds that will be given back to the community after the Fayette Solar Project becomes operational.

Throughout this process, National Grid Renewables has been actively engaged with the community, meeting with county commissioners, school officials and charitable foundations like ours. We appreciate the fact that National Grid Renewables actively contributes to the education and empowerment of the communities being served.

In the case of the Greenfield Foundation, National Grid Renewables plans to make an annual donation to our organization based on the amount of electricity generation capacity. Our foundation will then offer grants to local groups and organizations to benefit those communities.

We have enjoyed working with National Grid Renewables and appreciate the fact that, aside from some basic guidelines in our agreement, the Greenfield Foundation is empowered to award those donated funds as we see fit in the best interests of the community.

We believe that if National Grid Renewables is authorized to carry out a solar project in Fairfield County you will find the company's representatives to be professional, honest and ethical in carrying out the program and giving back to the community.

Respectfully submitted,

Ron Coffey, Secretary
The Greenfield Foundation

RE: Case #24-0495-EL-BGN

Ohio Siting Board,

I am sending you this letter as a resident, landowner, and Richland Township Trustee, asking you to deny EDF-Renewables' Eastern Cottontail utility scale solar project. I live within 2 miles of Walnut Township, Fairfield County where the proposed project is slated to be installed.

My concerns with this proposed project are 1. The long term affects the panels will have on the current rich, vibrant, tillable ground, 2. The unsightly look of the field full of panels instead of grain. 3. The "left over" hazardous waste once the panels reach their "end of life." 4. Property values that will be drastically affected with this project.

Focusing on the concerns above:

1. The proposed project is to be constructed upon some of the richest soil in Fairfield County. Our entire county has a rich history of providing substantial crops, county wide. Our county was named because of its Fair Fields. The mere installation and construction of the supporting structure of the panels will damage the natural and installed drainage and potentially affect flooding of the surrounding area.
2. The loss of the rural look that all residents in the surrounding area have come to love and respect will give way to commercial glass and steel gleaming back at us as we drive by instead of waving grain in the wind. "Amber Waves of Grain," sound familiar?? Let me help – America the Beautiful, and our entire county exemplifies that!!
3. Once the panels reach their "End of Life" will the installer or the company that is reaping the benefits of the energy collected be back to remove and reacclimate the fields? These panels and the supporting structures will be nothing short of hazardous waste and scrap material that will be left to the landowners and their families. Solar panels are toxic, reactive to some substances, corrosive and can ignite if malfunctioning occurs. The land will forever be affected.
4. No one wants to live near a solar panel field and property values will plunge even more than they already have in this tough economy.

My fellow trustees and I passed a resolution limiting solar installations within our power to do so and passed a resolution requesting the county commissions to exempt all of Richland Twp from Large Scale Solar Projects.

I ask again that you deny the Eastern Cottontail Solar Project

Thank you for allowing me to express my concerns.

Respectfully submitted,

Comment Description: I live in Walnut Township, Fairfield County. I reside on agricultural/resident zoned property. I worry about the risk when exposed to Toxin in the soil and groundwater since we have well water. I am afraided Land values will go down. I have no problem for personal use on a home or buildings. We need the rich soil for Food, Beans, Corn, gardens, Food items because prices already to high. People in Fairfield county already struggle to put Food on the table. No solar panels on rich Farm land! They are ugly and how I understand it the energy will not be staying in Ohio. This is no benefit to use at all. Soil and dirt we can not made more of. I oppose any industrial Solar panels on Farm land!

Dear Commissioners and Walnut Township Trustees,

I am writing in support of the Eastern Cottontail Solar project. I believe that this project is important because it allows landowners to exercise their personal rights when it comes to their property.

Landowners should be able to lease their land without fear of their local community putting a stop to their choices. EDF is an experienced developer who is listening to our community and developing the project in a responsible way.

Solar projects such as Eastern Cottontail are collaborative efforts with local landowners, elected officials, workforce, government entities, and concerned citizens. The amount of partnership that it takes to get a project to this stage is significant and should not be overlooked.

Our local landowners should have the opportunity to diversify their income, and use their land as they see fit—so long as they are abiding by all state and local regulations.

Thank you.

Commissioner wants more data on workforce center success

Jeff Barron

Lancaster Eagle-Gazette USA TODAY NETWORK

LANCASTER – Fairfield County officials have touted the job creation success of the county workforce center since it opened in Carroll in 2021.

But at Tuesday's county commission meeting, commissioner Steve Davis wanted a little more evidence.

"At some point on the horizon, what would be the metric that one would use to evaluate the success (of the center)?" he asked county economic development director Rick Szabrak. "Any endeavor must have some metric by which it's judged."

Davis then asked Szabrak what metric he would use to gauge the center's success.

"Taking the finances out of it I would look at the placement of jobs as the metric," Szabrak said. "If you look at the financial part of it I'd say cost per job. So how much does it cost to place each one of these individuals into a career?"

He said it costs less to train someone with workforce center programs than it does with some other programs.

"So I feel from an investment standpoint it's paying off," Szabrak said.

But Davis said he would be more interested in a data-driven look at the workforce center's success in the future and in a way that people could understand.

"I don't want any of that to be construed in any negative way," Davis said. "Because I think this is an incredibly important and wonderful thing that we're doing. I just think that at some point on the horizon, somebody could rightfully ask at what price." jbarron@gannett.com 740-681-4340 Twitter/X: @JeffDBarron

Background

Fairfield County Job and Family Services is serious about investigating and pursuing allegations of fraud. We employ one full-time Fraud/Benefit Recovery Supervisor, Heather Shields, one full-time investigator Stephanie Carson, two full-time Benefit Recovery Specialists, Bekah Montgomery and Alice Shay.

Objectives

- To ensure that public assistance benefits are received only by those individuals who are eligible and in the correct amounts
- To recover tax dollars that were obtained by participants through fraudulent activities, unintentional participant error, or administrative error
- To deter future occurrences of fraud and maintain program integrity

2023 Statistics

- **An average of 57 fraud referrals were received each month for a total of 684 referrals.**
- **More than \$481,000 was repaid.**
- **The agency received \$130,146 in fraud incentives from SNAP, TANF, and Medicaid**

Definitions

Fraud: participant knowingly and willfully provides false information or intentionally fails to report changes in circumstances in a timely manner in order to receive benefits for which they are not eligible.

Referral: Any information received by the agency which could affect the eligibility of the case. The referral can be received from citizens, computer data matches, caseworkers, or other agencies. The public can contact the Fraud Hotline at 740-652-7616 or via the agency website www.fcjfs.org.

Investigation: A Fraud Investigator reviews the referral and determines if the information would impact eligibility and gathers evidence through multiple sources to determine if there is evidence to pursue fraud, whether the case should be closed or if it is an overpayment only.

Overpayment: The household received assistance in an amount they were not technically eligible for, but there was no intention of the household to willfully deceive. They are still required to pay the amount back.

Intentional Program Violation (IPV): The household intended to obtain benefits that they were not eligible for by false statements, fraudulent documents, or concealing facts. For the Food Assistance program, participants are disqualified for 12 months and required to repay the amount they received fraudulently. For cash assistance or TANF the participant is disqualified until the amount they received fraudulently is paid back.

Referred for Prosecution: Fraud Supervisor Shields and Deputy Director Humphries review the evidence, the amount of the loss, and the intent of the household to determine if a referral to the Prosecuting Attorney's Office is warranted. Typically, cases over \$10,000 are referred. Supervisor Shields and Deputy Director Humphries attempt to interview the participant for a confession. Supervisor Shields seeks guidance and investigative strategies from the Prosecuting Attorney. Supervisor Shields prepares the Grand Jury packet. The Prosecuting Attorney's Office determines if they will charge the participant and seek an indictment from the Grand Jury. If so, Supervisor Shields will present the case to the Grand Jury. If they decline prosecution, FCJFS would impose an Intentional Program Violation.

Listen & Learn, Workforce Development, Rick Szabrak

Mr. Szabrak thanked the Commissioners for their investment in workforce development and spoke about the Area 20 Workforce Board. The board serves five counties, including Fairfield County, is comprised of 26 organizations, and provides services to both employers and job seekers. The Workforce Center focuses on the objectives of the Area 20 Workforce Board and on the career readiness development.

Bayley Fields spoke about the Area 20 Workforce Development Board and its oversight of OhioMeansJobs Centers. She also spoke about the utilization of the MORPC van pool and how it assists both employers and employees with transportation to and from the workplace. Ms. Fields then spoke about the Youth Employment Program and credited Donna Stalter from Fairfield County JFS for the development of the program's logo.

Mr. Szabrak spoke about the Career Readiness Program and stated there are 70 business partners in the program. Fairfield Medical Center hired one of the phlebotomy students. Claypool electric did an amazing job training all 23 students in their program who are now working as electricians. Fifty-one of the eight-one Workforce Center students are already working in their respective fields. A video created by Lancaster City Schools' students about student engagement with the center was shown.

Commissioner Davis asked about the methodology of reaching students who would benefit from the Career Readiness Program and about the number of graduating classes. He also asked if the classes at the Workforce Center are at capacity.

Regular Meeting #24 - 2024
Fairfield County Commissioners' Office
June 4, 2024

Mr. Szabrak replied that the Workforce Center is celebrating its third graduating class and that the graduating electric and phlebotomy classes were at capacity. We have room to grow at the Workforce Center and have not yet turned anyone away from a program. Students need to be caught up with high school credits to come here and be successful.

Commissioner Davis asked if Fairfield County was the only county in the state with such a program.

Mr. Szabrak replied that Perry County has a program that serves a single high school and that he was unaware of any other county having a program that served an entire county. He added that there are many items and areas involved in the operations of the center and spoke about the complexity of the fiscal side.

Commissioner Levacy spoke about the relevancy of the Workforce Center and its creation.

Ms. Fields stated that businesses have come to understand that they must be engaged in workforce to be successful.

Mr. Szabrak spoke about the Workforce Center's summer camps and the camp instructors. Many of the instructors are educators from local schools and there are instructors that are engineering students from Athens. Manufacturing, healthcare and construction fields are important now and will be our future. Next year we are increasing adult programming and hosting discovery days, as well as a 5G program in partnership with Eastland-Fairfield. Mr. Szabrak showed renderings of the Engineering lab expansion, including a simulated clean room where students can get a semi-conductor certification. Starting in January, an STNA program will be offered. Other program expansions include respiratory therapy, drivers education, CDL training, and a cell tower installation program.

Commissioner Fix asked about the funding needed for the CDL program.

Mr. Szabrak replied that approximately \$300,000 is required.

Commissioner Levacy spoke about a meeting with Senator Schaeffer to continue the funding discussion.

Commissioner Davis asked about the metric used to evaluate the success of the Workforce Center.

Mr. Szabrak stated that a good metric he uses is the job placement of in demand jobs. He added that from an investment standpoint, the Workforce Center is doing well, and that state money has been received and obligated.

Commissioner Davis stated that he would like all data that exists to be captured and that he would like to see a data driven analysis.

Commissioner Fix expressed his enthusiasm for the progress and added that the Workforce Center dreams from five years ago had come to fruition.

Mr. Szabrak stated that the Workforce Center had many students in HVAC and that jobs were found in the Columbus area at \$20 per hour for them.

Week in Review

Sheriff's Office Perimeter Fencing

Three fencing options are available for consideration by the Commissioners.

Ms. Cordle explained the difference in the estimates for the fencing and added that the appropriations are already in the capital budget.

Commissioner Fix asked if the quotes for the fencing included the gates.

Mr. Kochis replied that the estimates include all five gates, and the maximum possible amount was budgeted. He added that this was a cooperative bid process.

Commissioner Davis stated that it is important that people understand the reason for the discussions involving perimeter fencing. He added that it is not about aesthetics but rather security and stopping vandalism. The Commissioner spoke with Sheriff Lape who stated his preference for the wrought iron due to the added visibility with that option.

Capital Budget on Track for Late June Enactment

The Ohio House did vote on the capital bill in early spring, but the Senate did not and intends to vote on the measure by June 26. This comes after an extensive review of over 4,400 requests by Senate Finance Chair Sen. Matt Dolan.

Commissioner Davis asked if there were any issues with the contract for the purchase of the Colonnade building timeline since the county is awaiting a response from the state regarding the funding.

Our Mission:

FAIRHOPE Hospice & Palliative Care promotes compassionate end-of-life care through a professional team approach. We strive to relieve suffering by providing comfort, support and resources to meet the palliative and grief needs of the community.

May 29th, 2024

Dear Fairfield County Commissioners,

FAIRHOPE Hospice & Palliative Care, Inc. experienced significant detriment and hardship during and as a result of the COVID-19 Pandemic.

The COVID-19 pandemic presented new and unanticipated challenges to our organization to fulfill our mission of providing high quality end of life care. FAIRHOPE has provided compassionate end-of-life care to this community for the past forty years. We walk beside patients and families on their journey, focus on their emotional, physical, and spiritual needs, and honor life even in its most difficult times.

As a result of Covid-19, our organization has experienced negative economic impacts throughout the pandemic. An area of concern, even to this day, is that operating costs have risen faster than payer reimbursement. We experienced a 20% increase in direct patient care labor expenses comparing 2019 to 2022. Overall operating expenses in this same period went up 16% against a 6% increase in net patient revenue. Our hospice census has not returned to our pre-pandemic levels. We were fortunate to have the Cares Provider Relief funds available to us; however, we reported unreimbursed expenses of \$945,831 in 2021 and \$1,361,865 in 2022.

As a non-profit organization, we rely on charitable giving and fundraising events in the community. In 2020 and 2021, we could not host our annual fundraising events due to the pandemic. With the cancellation of these events, we experienced decreased fundraising dollars, averaging \$76,415 in 2023 and 2019 compared to \$21,851 from 2020 – 2022, a combined decrease in fundraising of \$163,692 for the three-year period.

Despite these challenges, we have remained steadfast in our commitment to our employees, patients, and community. Our employees showed dedication to our mission throughout the pandemic, even in the face of uncertainty. To this day, increased wages and inflation continue to threaten non-profit organizations like ours.

In closing, the ARP funds have the potential to significantly benefit FAIRHOPE as we strive to recover from the pandemic's far-reaching consequences. No patient has ever been turned away from services for their inability to pay. We respectfully request Fairfield County's support in helping FAIRHOPE recover from the negative impacts of the COVID-19 pandemic.

Sincerely,

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

Provider shall notify Agency of any items identified in Article V, according to the following options:

For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.

For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.

In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article

Section: Article VIII - Reimbursement for Placement Services

Detail: Article VIII

ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

Provider agrees that the Provider, its officers, members and employees currently have no, nor will they acquire any interest, whether personal, professional, direct or indirect, which is incompatible, in conflict with or which would compromise the discharge and fulfillment of Provider's functions, duties and responsibilities hereunder. If the Provider, or any of its officers, members or employees acquire any incompatible, conflicting, or compromising personal or professional interest, the Provider shall immediately disclose, in writing, such interest to the Agency. It is understood that a conflict of interest occurs when an Agency employee or county official will gain financially or receive personal favors as a result of signing or implementation of this agreement. The Provider will report the discovery of any potential conflict of interest to the Agency. Should a conflict of interest be discovered during the term of this agreement, the Agency may exercise any right under the agreement, including termination of the agreement.

Attachment Two.

Reason: Article
Section: Article V - Provider Responsibilities
Detail: Article V
ITEM A

Provider is responsible for ensuring transportation services are in place for all case-related activities and routine needs. If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. Provider should bring any extraordinary travel needs to the attention of Agency so both parties can ensure proper coverage and explore potential compensation for needed transportation services.

ITEM B

Progress reports, demonstration completion of monthly activities as required by Ohio Administrative Code, will be submitted on a monthly basis, by no later than the 20th calendar day of the following month.

ITEMS D, E, & F

After-Hours/On-Call Process

Provider shall notify Agency of any items identified in Article V, according to the following options:
For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.
For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.

In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article
Section: Article VIII - Reimbursement for Placement Services
Detail: Article VIII

ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies

from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

SECTIONS 1.02 & 1.03, References to Exhibit I

Article I, Item A ('Scope of Placement Services') will serve as Exhibit I.

Attachment Two.

Section: Article V - Provider Responsibilities

Detail: Article V

ITEM A

Provider is responsible for ensuring transportation services are in place for all case-related activities and routine needs. If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. Provider should bring any extraordinary travel needs to the attention of Agency so both parties can ensure proper coverage and explore potential compensation for needed transportation services.

ITEM B

Progress reports, demonstration completion of monthly activities as required by Ohio Administrative Code, will be submitted on a monthly basis, by no later than the 20th calendar day of the following month.

ITEMS D, E, & F

After-Hours/On-Call Process

Provider shall notify Agency of any items identified in Article V, according to the following options:

For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.

For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.

In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article

Section: Article VIII - Reimbursement for Placement Services

Detail: Article VIII

ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at

the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

Section: Article I - Scope of Placement Services
Detail: Article I
SECTIONS 1.02 & 1.03, References to Exhibit I
Article I, Item A ('Scope of Placement Services') will serve as Exhibit I.

Attachment Two.

Reason: Article
Section: Article V - Provider Responsibilities
Detail: Article V
ITEM A

Provider is responsible for ensuring transportation services are in place for all case-related activities and routine needs. If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. Provider should bring any extraordinary travel needs to the attention of Agency so both parties can ensure proper coverage and explore potential compensation for needed transportation services.

ITEM B

Progress reports, demonstration completion of monthly activities as required by Ohio Administrative Code, will be submitted on a monthly basis, by no later than the 20th calendar day of the following month.

ITEMS D, E, & F

After-Hours/On-Call Process

Provider shall notify Agency of any items identified in Article V, according to the following options:
For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.
For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.
In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article
Section: Article VIII - Reimbursement for Placement Services
Detail: Article VIII
ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the

placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is

paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is

paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

Attachment Two.

Reason: Article
Section: Article V - Provider Responsibilities
Detail: Article V
ITEM A

Provider is responsible for ensuring transportation services are in place for all case-related activities and routine needs. If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. Provider should bring any extraordinary travel needs to the attention of Agency so both parties can ensure proper coverage and explore potential compensation for needed transportation services.

ITEM B

Progress reports, demonstration completion of monthly activities as required by Ohio Administrative Code, will be submitted on a monthly basis, by no later than the 20th calendar day of the following month.

ITEMS D, E, & F

After-Hours/On-Call Process

Provider shall notify Agency of any items identified in Article V, according to the following options:
For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.
For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.
In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article
Section: Article VIII - Reimbursement for Placement Services
Detail: Article VIII
ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the

placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is

paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

SECTIONS 1.02 & 1.03, References to Exhibit I

Article I, Item A ('Scope of Placement Services') will serve as Exhibit I.

Attachment Two.

Section: Article V - Provider Responsibilities

Detail: Article V

ITEM A

Provider is responsible for ensuring transportation services are in place for all case-related activities and routine needs. If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. Provider should bring any extraordinary travel needs to the attention of Agency so both parties can ensure proper coverage and explore potential compensation for needed transportation services.

ITEM B

Progress reports, demonstration completion of monthly activities as required by Ohio Administrative Code, will be submitted on a monthly basis, by no later than the 20th calendar day of the following month.

ITEMS D, E, & F

After-Hours/On-Call Process

Provider shall notify Agency of any items identified in Article V, according to the following options:

For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.

For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.

In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article

Section: Article VIII - Reimbursement for Placement Services

Detail: Article VIII

ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

SECTIONS 1.02 & 1.03, References to Exhibit I

Article I, Item A ('Scope of Placement Services') will serve as Exhibit I.

Attachment Two.

Reason: Article

Section: Article V - Provider Responsibilities

Detail: Article V

ITEM A

Provider is responsible for ensuring transportation services are in place for all case-related activities and routine needs. If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. Provider should bring any extraordinary travel needs to the attention of Agency so both parties can ensure proper coverage and explore potential compensation for needed transportation services.

ITEM B

Progress reports, demonstration completion of monthly activities as required by Ohio Administrative Code, will be submitted on a monthly basis, by no later than the 20th calendar day of the following month.

ITEMS D, E, & F

After-Hours/On-Call Process

Provider shall notify Agency of any items identified in Article V, according to the following options:

For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.

For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.

In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article

Section: Article VIII - Reimbursement for Placement Services

Detail: Article VIII

ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the

placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is

paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. ITEMS D, E, & F

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the

placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

SECTIONS 1.02 & 1.03, References to Exhibit I
Article I, Item A ('Scope of Placement Services') will serve as Exhibit I.

Attachment Two.

Reason: Article
Section: Article V - Provider Responsibilities
Detail: Article V
ITEM A

Provider is responsible for ensuring transportation services are in place for all case-related activities and routine needs. If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. Provider should bring any extraordinary travel needs to the attention of Agency so both parties can ensure proper coverage and explore potential compensation for needed transportation services.

ITEM B

Progress reports, demonstration completion of monthly activities as required by Ohio Administrative Code, will be submitted on a monthly basis, by no later than the 20th calendar day of the following month.

ITEMS D, E, & F

After-Hours/On-Call Process

Provider shall notify Agency of any items identified in Article V, according to the following options:
For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.
For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.

In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article
Section: Article VIII - Reimbursement for Placement Services
Detail: Article VIII
ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the

placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

- A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.
- B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.
- C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is

paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

COST ANALYSIS:

For foster care placement, network providers have Title IV-E reimbursement ceilings, and Fairfield County rates have typically been below the state negotiated ceilings. Historically, the traditional, daily rate is less than \$225.

The review and evaluation of the separate cost elements and proposed profit would include an evaluation of special considerations and special needs, as there are cases which would be reviewed independently based on extraordinary factors. If the rate was more than \$225 per day, it is expected that there would be extraordinary, case specific needs, knowing what we know about the market in our area.

The amounts of insurance required in this section for General Liability, Business Auto Liability and Umbrella/Excess Liability may be satisfied by Provider purchasing coverage for the limits specified or by any combination of underlying and umbrella limits, so long as the total amount of insurance is not less than the limits specified in General Liability, Business Auto Liability and Umbrella/Excess Liability when added together.

E. Workers' Compensation insurance at the statutory limits required by ORC.

F. The Provider further agrees with the following provisions:

1. All policies, except workers' compensation and professional liability, will endorse as additional insured the Board of County Commissioners, and Agency and their respective officials, employees, agents, and volunteers, including their Board of Trustees if applicable. The additional insured endorsement shall be on an ACORD or ISO form.
2. The insurance endorsement forms and the certificate of insurance forms will be sent to the Agency Director or Designee. The forms must state the following: "Board of County Commissioners, and Agency and their respective officials, employees, agents, and volunteers are endorsed as additional insured as required by agreement on the commercial general, business auto and umbrella/excess liability policies."
3. Each policy required by this clause shall be endorsed to state that coverage shall not be canceled or materially changed except after thirty (30) calendar days prior written notice given to the Agency Director or Designee.
4. Provider shall furnish the Agency with original certificates and amendatory endorsements effecting coverage required by this clause. All certificates and endorsements are to be received by the Agency before the Agreement commences. The Agency reserves the right at any time to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications.
5. Failure of the Agency to demand such certificate or other evidence of full compliance with these insurance requirements or failure of the Agency to identify a deficiency from evidence provided shall not be construed as a waiver of Provider's obligation to maintain such insurance.
6. Provider shall declare any self-insured retention to the Agency pertaining to liability insurance. Provider shall provide a financial guarantee satisfactory to the Agency guaranteeing payment of losses and related investigations, claims administration and defense expenses for any self-insured retention.
7. If Provider provides insurance coverage under a "claims-made" basis, Provider shall provide evidence of either of the following for each type of insurance which is provided on a claims-made basis: unlimited extended reporting period coverage, which allows for an unlimited period of time to report claims from incidents that occurred after the policy's retroactive date and before the end of the policy period (tail coverage), or; continuous coverage from the original retroactive date of coverage. The original retroactive date of coverage means original effective date of the first claim-made policy issued for a similar coverage while Provider was under Agreement with the County on behalf of the Agency.
8. Provider will require all insurance policies in any way related to the work and secured and maintained by Provider to include endorsements stating each underwriter will waive all rights of recovery, under subrogation or otherwise, against the County and the Agency. Provider will require of subcontractors, by appropriate written agreements, similar waivers each in favor of all parties enumerated in this section.
9. Provider, the County, and the Agency agree to fully cooperate, participate, and comply with all reasonable requirements and recommendations of the insurers and insurance brokers issuing or arranging for issuance of the policies required here, in all areas of safety, insurance program administration, claim reporting and investigating and audit procedures.
10. Provider's insurance coverage shall be primary insurance with respect to the County, the Agency, their respective officials, employees, agents, and volunteers. Any insurance maintained by the County or the Agency shall be excess of Provider's insurance and shall not contribute to it.
11. If any of the work or Services contemplated by this Agreement is subcontractors, Provider will ensure that any subcontractors comply with all insurance requirements contained herein.
12. If the Agreement provider is a government entity, insurance requirements will be fulfilled under the County Risk Sharing Authority (CORSAs).

SECTIONS 1.02 & 1.03, References to Exhibit I

Article I, Item A ('Scope of Placement Services') will serve as Exhibit I.

Attachment Two.

Reason: Article

Section: Article V - Provider Responsibilities

Detail: Article V

ITEM A

Provider is responsible for ensuring transportation services are in place for all case-related activities and routine needs. If extenuating circumstances exist and provider is not able to utilize its own resources to ensure coverage, Provider must notify Agency in advance of the transportation need, and coordinate with Agency to arrange needed transportation. Provider should bring any extraordinary travel needs to the attention of Agency so both parties can ensure proper coverage and explore potential compensation for needed transportation services.

ITEM B

Progress reports, demonstration completion of monthly activities as required by Ohio Administrative Code, will be submitted on a monthly basis, by no later than the 20th calendar day of the following month.

ITEMS D, E, & F

After-Hours/On-Call Process

Provider shall notify Agency of any items identified in Article V, according to the following options:

For calls during business hours (Monday through Friday, from 8:00 a.m. to 4:00 p.m., excluding holidays), Provider shall call (740) 652-7854 and inform the operator of the need to urgently speak to casework staff.

For calls outside of business hours, Provider shall call (740)808-0009 or (740)808-0982 in order to notify Agency's On-Call staff member of the urgent situation.

Insert new item - ITEM S

Provider will ensure access to Normalcy activities, based upon the developmental, social, and emotional functioning of each child placement.

Insert new item - ITEM T

All Provider staff, and foster caregivers when applicable, should seek and receive prior authorization from Agency for any type of non-routine medical care or medication needs. This includes, but is not limited to: major medical treatment, medical procedures, surgery, implementation of or change in psychotropic medications, and any other medical intervention that carries a high risk of side effects, impairment, or harm. Routine well visits and treatment for typical childhood illnesses will not require such prior authorization.

In the event of an emergency, the child should be taken to the nearest medical facility for prompt treatment. As soon as possible, Agency shall be contacted, according to the process outlined in the addendum to Article V.

Attachment Three.

Reason: Article

Section: Article VIII - Reimbursement for Placement Services

Detail: Article VIII

ITEM B

Agency agrees to pay Provider on the basis of a daily per diem (identified in Schedule A of this agreement) for the

placement for each child, as identified by each child's current Level of Care (LOC). The LOC will be agreed upon at the time of placement. The Agency and Provider may request a re-evaluation of the child's LOC at any time in order to best meet the child's identified needs.

ITEM D

Agency agrees to provide a one-time initial clothing authorization of up to \$150.00 for children ten and under and up to \$250.00 for children over the age of ten. If the child is under ten and wearing adult sizes, the authorization will be for \$250.00. Any purchases beyond this must be due to extenuating circumstances and approved in writing, in advance of the purchase. Routine clothing needs are considered part of maintenance and will not be paid or reimbursed by Agency.

ITEM E

If a child goes on any form of unpaid leave and is reasonably expected to return to the same placement, Agency may pay for up to seven (7) consecutive nights of leave. In order for Agency to pay for such leave, Provider (including foster parents, if applicable) must agree to remain available for regular services and needed support during such leave. Leave beyond seven (7) days will not be paid unless extenuating circumstances exist, and both Agency and Provider agree to payment terms in advance, in writing.

Regardless of length, Agency will not pay Provider for any leave during which payment is being made to another provider, nor for leave where the child is in a paid or unpaid alternative placement outside of Provider's network due to a lack of placement availability with Provider. Any deviation from this must be agreed to in advance, in writing, by both Agency and Provider.

Item F

Medicaid/Insurance

Upon receipt of formal documentation, FCCPS will submit to Service Provider Medicaid/insurance numbers for children in FCCPS custody, as applicable. The service provider is required to utilize Medicaid-approved healthcare providers in the appropriate managed care network for the provision of mental health, dental and/or medical services (hereafter referred to collectively as "medical services") to children in the custody of FCCPS. The Service Provider will report applicable Medicaid/insurance information to the healthcare providers and instruct healthcare providers to seek payment from Medicaid or any other available third party payor for medical services rendered to children in FCCPS custody. FCCPS will not pay for the provision of any medical services to children in FCCPS custody unless the FCCPS Deputy Director or authorized designee has provided specific prior written authorization for such medical services and associated costs.

In situations where the Service Provider does not possess a Medicaid/insurance number or other information required to bill an alternative source for services provided to children in the custody of FCCPS, the Service Provider must take the following actions.

A. The Service Provider will contact the Finance Department at (740)652-7889 for assistance with resolving Medicaid/insurance number issues.

B. Within thirty (30) days if an invoice from a healthcare provider for services rendered to a child in FCCPS custody, the Service Provider should forward the invoice to the FCCPS Finance Department at: Fairfield County Job and Family Services-Protective Services, 239 West Main St., Lancaster, OH 43130 or fax such invoice to the FCCPS Finance Department at (740)-687-7070. Failure to forward this invoice to FCCPS within thirty (30) days will constitute a waiver of any claim against FCCPS for payment of the invoice. If the Service Provider receives additional notices regarding the invoice, the Service Provider must contact the FCCPS Finance Department at (740)-652-7889 to confirm that FCCPS received the initial invoice and to obtain the status of payment arrangements. The Service Provider SHALL NOT pay the invoice and expect or request reimbursement from FCCPS without the prior written approval of FCCPS.

C. If a child who is in custody of FCCPS requires pharmaceutical supplies, Service Provider must obtain the supplies from a pharmacy that accepts Medicaid/insurance payments.

ITEM G

In any instance where payment cannot be made within 30 days, Agency will make every effort to ensure Provider is

paid within 45 days, and is made aware in advance if this is not possible.

FCCPS retains the right to recoup funds from the Service Provider upon the determination that third party funds are duplicative (in the aggregate) of FCCPS payments to the Service Provider, or in the event that the Service Provider fails to properly credit any and all such third party payments. Relative to recouping funds, FCCPS may withhold from subsequent reimbursement to the Service Provider an amount equal to any un-credited or duplicate third party payments. For purposes of this paragraph, "third party" includes, but is not limited to , Medicaid and private insurance companies.

The Service Provider shall obtain and provide a written estimate for any non-routine, non-emergency, or out-of-network medical and dental expenses to FCCPS along with the written recommendation of the physician or dentist. The Service Provider is not permitted to deliver or authorize any health/dental care or treatment services (including, but not limited to, mental health services), without the prior written consent of the FCCPS Deputy Director or authorized designee (see Consent for Medical Treatment letter).

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date of the signature of the parties.

WHEREAS, the developer of Sycamore Grove, Phase 1A has submitted the required inspection fee deposit and has executed the required development agreement for said subdivision.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS, COUNTY OF FAIRFIELD, STATE OF OHIO:

Section 1. That this Board hereby approves and authorizes itself to execute said development agreement attached as Exhibit A for the Sycamore Grove, Phase 1A subdivision.

Prepared by: Joshua Hillberry
cc: Regional Planning

DEVELOPMENT AGREEMENT

This Agreement entered into this 3rd day of June, by and between Rockford Homes (hereinafter called the "Owner") and the Board of Commissioners of Fairfield County, Ohio (hereinafter called the "County").

WITNESS WHEREAS, the Owner wishes to develop approximately 198 acres in Viola Township; _____ (hereinafter called the "Project"), and Sycamore Grove Sec 1A

WHEREAS, "The Fairfield County Water, Drainage and Sewage Regulations," "The Fairfield County Construction and Material Specifications," and "The Fairfield County Subdivision Regulations" in force on the date of this agreement (hereinafter called the "County Regulations") state the requirements for developing within the County.

NOW THEREFORE, the Owner and the County, in consideration of the mutual covenants set forth herein, agree that:

I. OWNER RESPONSIBILITIES: The Owner will:

- 1.1 Develop or cause the development of the Project in accordance with the County Regulations and the construction drawings approved by the County.
- 1.2 Unless specifically stated otherwise, be responsible for the entire cost associated with developing the Project, including providing the real estate, engineering, construction, fees and deposits.
- 1.3 Provide the County with construction drawings, specifications and supporting data describing the improvements contained in the Project. The improvements to be provided will include:
 - a. Roads and parking areas, graded full width and paved including drainage structures and other improvements all as shown on the County Standard Drawings and required for this project;
 - b. Monuments, stakes and all survey control required;
 - c. All other improvements shown on the construction drawings as approved by the County. (Such as grading and seeding).
- 1.4 Await the County's approval of the construction drawings and specifications before beginning any construction work.
- 1.5 Guarantee that the labor, material and equipment used to develop the Project meets the County requirements by providing at least one of the following:

- a. A performance bond equal to the estimated construction cost of the public improvements; or
- b. An irrevocable bank letter of credit payable to the County equal to one hundred percent (100%) of the estimated construction cost of the public improvements; or
- c. Subject to the approval of the County of Fairfield a certification to the County by the institution, person or corporation financing the construction of the public improvements stipulating that the funds in the amount of the estimated construction cost are available and set aside from all other funds solely for the purpose of financing the construction of the public improvements.
That these funds will not be released to the Owner or used for any purpose unless a release is signed by the County.
That such release by the County only certifies that as best the County can determine, the construction was satisfactorily completed and such release does not relieve the Owner of the responsibility to meet the requirements of the County Regulations or the County maintenance guarantee requirements;

1.6 Give the County at least three days notice prior to beginning any construction work and will keep the County advised of the work schedule throughout the development of the Project.

1.7 Prior to conditional acceptance of the Project by the County, guarantee all labor, material and equipment incorporated in the improvements that will become public against defects and deficiencies, for at least three years, by providing at least one of the following:

- a. A maintenance bond equal to ten percent (10%) of the construction cost of the public improvements
- b. A certification to the County by a financial institution or corporation acceptable to the County Prosecutor;

That funds equal to ten percent (10%) of the estimated construction cost for public improvements have been set aside in an escrow account;

That these funds cannot be released without a release by the County;

That the institution or corporation holding the funds shall release to the County and or all of the funds so escrowed for the purpose enumerated herein; and

That the escrow account will not be closed out without the approval of the County with the final acceptance of the public improvements by the County constituting release of the escrow account lacking any formal release by the County; or

- c. A bank irrevocable letter of credit payable to the County equal to ten percent (10%) of the construction cost for the public improvements.
- 1.8 Provide any additional maintenance guarantees necessary to protect existing roads in the subdivision being used as access for the proposed phase(s). The County Inspector shall determine the adequacy of this additional guarantee.
- 1.9 Provide a written request for the maintenance guarantee release upon completion of at least three years maintenance period during which the public improvements are maintained in a satisfactory condition and all expenses incurred by the County pursuant to this Project have been paid in full.
- 1.10 Cause the work described in the approved construction drawings, specifications and supporting data, as required herein, to be completed within a year of the approval of the construction plans unless approved otherwise by the County.
- 1.11 Remove or cause to be removed such dirt, debris, and foreign matter from all public rights-of-way, improvements and/or easements as were deposited, left or resulted from the construction of improvements or any nature within the development, within twenty-four (24) hours after being notified by the County that such work is required. Such removal shall be done to the satisfaction of the County Engineer.
- 1.12 Prior to acceptance or conditional acceptance of the Project by the County, provide the County the original signed construction drawings, with four sets of prints annotated to reflect the "as-constructed" conditions, and the original recorded plat.

II GENERAL TERMS:

- 2.1 When there appears to be, or there is in fact, a conflict between this Agreement and the County Regulations the County Regulations shall govern.
- 2.2 No conveyance shall be made of any lot or parcel smaller in frontage or area than indicated on the plat except for the purpose of increasing the area of another lot.

2.3 The Owner shall indemnify and hold the County free and harmless from any and all claims for damage of every nature arising or growing out of the construction of improvements or resulting from improvements and shall defend, at their own cost and expense, any suit or action brought against the County.

2.4 By signing this Agreement the Owner acknowledges possession of copies of the:

- a. Fairfield County Water, Drainage and Sewage Regulations.
- b. Fairfield County Construction and Material Specifications.

and that the procedures described in these County Regulations will be followed during the development, acceptance and maintenance period for this project.

2.5 Upon violation of, or failure to comply with, any of the terms of this Agreement by the Owner, the County may take any of the following actions:

- a. Stop all work on the Project forthwith;
- b. Continue any unfinished work or replace any unaccepted work to a point that any public improvements do not appear to create a health or safety hazard or create maintenance or repair expense to the County because of their state of completion by:
 1. Holding the bonding company responsible,
 2. Using the certified check or proceeds thereof,
 3. Using the funds in the escrow account, or
 4. Draw on the letters of credit.
- c. Take necessary action to eliminate apparent or actual safety or health hazards of an emergency nature when notification of the Owner does not cause a timely and satisfactory response or an immediate response is required. The cost of using county labor material or equipment shall be a cost to the owner to be paid thirty (30) days after being billed. Failure to pay may result in the County taking actions provided in 2.5(a) or 2.5(b) herein.

2.6 This Agreement represents the entire and integrated agreement between the Owner and the County for the Project and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instruction signed by both Owner and County.

- 2.7 The Owner and County each binds himself and his partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement; except as above, neither the Owner nor the County shall assign, sublet, or transfer his interest in this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of any public body which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the Owner and the County.
- 2.8 Notices: Any notice required by the Agreement shall be conclusively presumed to have been received if in writing and if delivered personally or sent by registered or certified mail, postage prepaid, to the party to be notified at the party's last address on file with the party sending the notice.
- 2.9 Legal Interpretation: This Agreement shall be construed and interpreted in accordance with the laws of the State of Ohio.

IN CONSIDERATION WHEREOF, the County hereby grants the Owner the right and privilege to make the improvements stipulated herein.

IN WITNESS WHEREOF, the parties hereto have set their hand and seals, and have executed this agreement on the day and year first above written.
