Dream Big Read!

Why do we have a summer reading program?

*To help children build reading and language skills.

*To help motivate teens to read and discuss literature *they* choose.

*Encourage adults to experience the joy of reading.

Reading with your children is a great way to create long lasting summer memories. So, read to them, have them read to you, or just read in the same room together!

er!

The summer reading program is a fun, free family activity and the library is a place for everyone to get books.

This year the theme for children age 2 up to those that have completed grade 4 is ***Dream Big-Read!*** For those tweens/teens that read in the Young Adult section the theme is ***Own the Night*** and for Adults it is ***Between the Covers***.

There will be fun activities for all ages during the weeks
