 1 DATES TAKEN FROM LICKING COUNTY FIRMS

**ELEVATION DATUM**  
 Flood elevations on this map are referenced to the North American Vertical Datum of 1988. These flood elevations must be compared to structure and ground elevations referenced to the same vertical datum. For information regarding conversion between the National Geodetic Vertical Datum of 1929 and the North American Vertical Datum of 1988, visit the National Geodetic Survey website at <http://www.ngs.noaa.gov/> or contact the National Geodetic Survey at the following address:

 (301) 713-3242

**NOTE TO USER**  
 Future revisions to this FIRM Index will only be issued to communities that are located on FIRM panels being revised. This FIRM Index therefore remains valid for FIRM panels not being revised. Please refer to the "MOST RECENT FIRM PANEL DATE" column in the Listing of Communities table to determine the most recent FIRM index date for each community.

**BASE MAP SOURCE**  
 Base map information shown on this FIRM was provided in digital format by the Fairfield County, GIS Department. This information was produced from aerial photography dated 2008 or later.

**MAP DATES**  
 This FIRM Index displays the map date for each FIRM panel at the time that this index was printed. Because this index may not be distributed to unaffiliated communities in subsequent revisions, users may determine the current map date for each FIRM panel by visiting the FEMA Internet Community website at <http://mcs.fema.gov/> or by calling the MSC Map Information (4K) Service (FIMX) at 1-877-336-2627.

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM Index. These may be ordered directly from the Map Service Center at the number listed above.

**MAP REPOSITORIES**
